

2018 Stationery List for Year 4 children in Nga Kaitoro

Dear Parents and Caregivers,

These are the books required in Nga Kaitoro in 2018. **Please ensure your children's books, pens and pencils are all named.** It is important that the books listed are the ones purchased. We have informed The Book Shelf in Waikanae mall of our requirements so you should be able to get everything you need there. Send all of the stationery items at the beginning of the year. Keeping spare items at home can get confusing and may lead to you buying new items that are not required.

Please keep the stickers off the front of the Faber Castell colouring pencils and send them to school. We can use them to buy artsets that will top up the children's pencil sets during the year and save you having to buy more colouring pencils.

All of the classes in Nga Kaitoro use computers and Chromebooks. It is very useful for the children to have some headphones or earbuds to use with the computers. If you have some at home, please send them to school at the beginning of the year.

Many thanks,

The Nga Kaitoro team.

Michelle, Brenda, Lucy, Kerri, Brooke and Becky
