A donation for library books is made to the school based on the number of packs sold.

BYOD @ Kapanui

BYOD is **Bring Your Own Device**. This is available at Kapanui School for children in Year 5 and above. **We recommend**

Chromebooks as a keyboard is essential for ease of use. Shops have competitive prices on these and are selling chromebooks for under \$350. They are light, functional, quick to start up and operate, have a keyboard and are perfect for school use. Our local colleges also use chromebooks so devices purchased at primary school can be taken onto college

Please note that BYOD is **not compulsory** and the Board of Trustees will still continue to fund a set of 10 devices for each classroom.

New Pupils

Kapanui School Sunhats are compulsory in Terms 1 & 4. These are available from the school office or via KINDO.
