The Kapanui School Board has begun the process to find a new leader for the school.

In order to develop the person specification that will be used to evaluate the applicants the Board wants to hear from parents, as key stakeholders in the school, what you see as the important skills, experience and qualities we should be seeking in the school's next Principal.

To help get this feedback, we have set up a short online survey seeking your feedback on key attributes. If you could complete this survey it will assist us in finding the right person.

To complete survey to go our webset:

Celebrating Student Success

Congratulations Ethan

Ethan Hindry is a year 6 student who is having great success as a rugby referee. He is currently a referee at the local schools touch competition on Tuesday and Thursday nights. During term 4 he sat his theory exams for his national level 1 touch qualification and passed this, and the week before Christmas at the IPS tournament in Palmerston North, where many of the Rep players were. He refereed games up to and under 15a level and was formally assessed by NZ Touch. He is the current youngest level 1 Ref in Kapiti, and NZRU still believe the youngest rugby union ref in the country. Not bad for a 10 year old from Kapanui.
