Welcome to
Week 7

School Sports Uniforms

Uniform tops are not to be worn to school for everyday wear as this adds to the wear and tear. Please wash tops after use and before returning them to school.

School Donation

A huge THANKS to those families who have already paid their school donation. The donation can be paid in full or throughout the year.

Amazing things can happen when you try a little harder!

On Sunday the 4th of March, I was at the Kapiti Paraparaumu Airport. I had been nominated by my teacher Miss Higgins, to go on a flight around Kapiti. We rode in small airplanes and went in groups of three to four. I was able to sit in the front and get a view out of two windows. I earned the flight by working hard in school, getting my work done and being on time. Putting effort into my work had paid off and now I was able to see Kapiti from a different view. I felt so lucky and excited to have been thought of by my teacher.

Hunter Black

Mrs Burrows nominated myself and Hunter for a free scenic flight courtesy of Bluelight. We were chosen because at school we do extra activities and always go the extra mile. It was an awesome experience as it was very cool to be able to see Kapiti from a different view entirely. It made me realise what a beautiful place we live in and how much space and greenery we have. The flight was around 20 minutes long and charted around Kapiti Island down to Paekakariki and then back to the Kapiti airport I am so grateful I was chosen to participate.

Amelia Fitton

Ukulele Lessons

Are being offered free by Mrs Pearson. Some ukuleles are available and lessons are in the lunch hour. Choir has also begun but we would

Netball Coaches needed for:

Year 7 & 8, Year 6 and Year 5

welcome any new choristers, year 3 and up. Art Splash will be our main focus for Term 2.

Child Safety

Local Government will be issuing parking infringement notices in contravention of both national road rules and Kapiti Coast District Council bylaws. Stopping at any time on broken yellow lines, across properties and business driveways, even for seconds and dropping off children in the live traffic lanes are not safe practices. Remember you cannot park within 1 metre of a driveway entrance (this means the back end of your car not the wheels). Parents who stop on the school patrolled or non-patrolled pedestrian crossings to allow their own children to walk to the crossing and to cross is not safe practice as your children are focused on you and not on any motor vehicles coming the other way or their surroundings. Pulling into driveways close to the school entrances to drop off your kids similarly creates an additional hazard, especially when motor vehicles are reversing out of driveways. This is not safe even with modern cars and reversing cameras children still get run over. Any child or adult injured is one too many!

Celebrating Student Success

Swimming Sports well done guys!
