Welcome to Week 1, Term 3.

I hope you had an enjoyable two week break away from school. Nice to see the children back at school looking refreshed and ready for a busy Term 3.

I am sure you are aware of negotiations taking place at the moment between Government and NZEI (N Z Education Institute) to improve conditions for teaching staff. Below is an insight into what the Union is asking for.

It is time, time to lead, teach and learn

This means freeing teachers to teach so every child receives the personal attention they need to learn and thrive. It means freeing principals to focus on leading and it means ensuring we have enough teachers by attracting more people to teaching, by respecting them as professionals and paying them properly.

Our students come to school to learn all the skills and abilities that they'll need to grow up healthy, happy and productive in the 21st century. Our nation can afford to ensure every child receives the education they need to succeed in life, and for every educator to be trusted and resourced to make that a reality. It's simply a matter of priorities. Our students are worth it and so are we.

Kapa Haka for Whanau

Wednesday 1 August at 3.30 pm Kapa Haka for our whanau begins. These sessions will be with Matua Rangi on a fortnightly basis. Bring your whole family and come and learn some waiata together. We will meet in Room 8.

Life Education Trust

We welcome back Harold and Paula next week. They arrive on Monday and will be here for 4 weeks. Different health topics will be covered over that period tailored for the various age groups of students.
