### Influenza – from the Public Health Nurse

The main symptoms of influenza are fever, cough and sometimes vomiting or diarrhea in younger children. These symptoms usually last 3-4 days but can be up to 7 days. The following information will help reduce the spread of influenza and assist your school:

- Advise a member of staff if your child has an illness as described above.
- Check that your school has your correct and up-to-date contact details in case they need to contact you.
- Keep sick children at home until feeling well and free from symptoms (usually 3-4 days but up to 7 days). Sick staff and students should not be at social or sporting events, school productions or camps. This is so they can rest and recover and don't spread illness to others.
- It is important to use tissues to cover coughs and sneezes and to be very good about washing and drying hands thoroughly.

An influenza brochure is accessible at [www.rph.org.nz/influenza](http://www.rph.org.nz/influenza) has some good tips for looking after people with influenza and stopping it spreading to other people at home. If anyone in your family has influenza we ask that they don't visit hospitals or community care homes or see people who may be at high risk of serious illness, such as pregnant women, young babies, or anyone who has cancer, lung, and heart or kidney conditions. If you are worried about your child's symptoms or they have long-term health problems (e.g. asthma, diabetes, kidney, heart or immunity problems), then you should phone their usual doctor or Healthline

0800 611 116 for further advice. Otherwise they should recover at home and see their GP only if the illness gets worse or is not improving. Nga mihi nui

## Celebrating Student Success

### Scholastic Bookclub

Issue 6 is being handed out this week. Please place online orders only by 14 September as the office will not accept cheques or cash. There are a lot of great books to choose from and this is a great way to provide more resources for the school library as 20% of each order comes back to Kapanui. Thanks for your support!

### Raising funds

We have received an invitation from the Lions Club of Waikanae to be part of their annual Garden Trail and benefit from the fundraising opportunity it will provide. If you are interested in organising a group of parents to provide morning and afternoon refreshments at one of the garden venues over the weekend 26/27 January 2019, please contact the school office. The group could expect to make around \$2,000 - \$3,000. This could be a great fundraising for our upcoming Curious Cove Camp? The Lions Club need confirmation before end of September so they can include our school as part of their advertising. Thanks.
