### **'Haka Off' reports from Room 8 Poppy**

Being a whanau leader of Nga Manu at the Haka Off was a really cool experience. I was the leader of one of the teams that won and it felt amazing. I was really proud of my whanau for singing loud and proud, I also really like that a lot of younger kids at Kapanui School were leading their whanau haka which was really good to see. I think all the whanau did a great job and I am really proud of all the whanau groups.

### **Ali**

When we were practising our haka before the Haka Off, Poppy said 'Would you like to be part

of the Haka Off'? I nervously said ok. So we headed over to the court and every step I took I got more and more nervous. Mr Brunton said 'Nga Manu you are up next'. My Mum was sitting on the court, she was recording me and I tried to not look at her. During the haka I felt confident. After when we finished we sat down and we waited to see who the winner was. There was meant to be one winner, but there were two Te Moana and Nga Manu. When they announced the winner we were all celebrating. I felt proud of myself and whanau.
