### School Vision Feedback

Thank you to everyone who contributed to the survey and/or attended the parent meeting a few weeks back. Chris Rowan, our facilitator, has compiled the data and put together a **THEME of THEMES** which is on the school website homepage under the tab **SCHOOL VISION 2019**.

Some of the key ideas to emerge have been:

- Students to know their place in the community and the world
- To provide an integrated and broader curriculum including a greater emphasis on play based learning, the Arts and STEM (science, technology, engineering and maths)
- To strengthen student journey/transitions into, across and out of Kapanui School
- Student learning –To develop student skills, values, key competencies and

student voice in learning and ensuring individual needs are met

- Further develop student leadership and ensure alignment across the school in terms of curriculum and transition through the school
- Further develop and strengthen Te Ao Māori Te Reo Māori within the school.

Are there any areas you feel have been missed or need to be strengthened? If you have any further ideas to add please let me know ASAP as this is still in DRAFT form.

## Scholastic Bookclub

A brochure should come home with your child this week. Placing an order is a great way to support our school as each one results in 20% coming back to Kapanui to purchase more books for our library. Please note that orders need to be made online by Tuesday 18th June.

## Matariki

It is almost time for Matariki the Maori New Year which runs for the month of June. This is a time to start to celebrate the New Year with family and friends, to cook and share food, to plant and to give back to our community. Last year, as our way of giving back to our community, the whole school collected non-perishable food for the Kapiti Food Bank. The Food Bank was overwhelmed with the generosity of the Kapanui school community and we would like to repeat this again this year. The types of preferred foods are; cereal, pasta, rice, canned fruit or vegetables [not baked beans or sliced peaches because they get too many] prepared food that can be heated, tea, coffee, pasta sauces and personal items such

as hair shampoo, toothpaste and brush, hair brush, sanitary care, soap and disposable razors. Each day a group of senior children will go to each classroom to collect the items and we will record how many each class receives. This will become a competition. We will also need big boxes to store the food, so please send any spare big empty boxes. This collection will run until to the last Monday of the school term
